

## Join the Wintec and T-Mobile Team — Grow Your Business to the Next Level

In recent years, the wireless services industry has rapidly grown. Now is your chance to partner with Wintec and T-Mobile, the fastest growing nationwide wireless carrier and be a part of this wireless explosion. T-Mobile provides the best wireless plans, newest products, and innovative technology in mobile devices through Wintec.

Becoming a Wintec T-Mobile reseller is a great opportunity for your company to expand into a new complementary market, creating an additional revenue stream for you. This can add value to your existing product line and open new wireless opportunities.

### Wireless Reseller Benefits

There are many great advantages to becoming a reseller:

- / T-Mobile's nationally recognized brand can strengthen your company's image
- / A competitive compensation plan
- / Only a small investment in time and money is required, but with great potential returns
- / Wintec will provide all support and resources, allowing you to focus on growing your business.

The benefits never end and there are always new incentives.
